Pizza chain looking for town outlet

● BUT IT WON'T BE AT THE CASTLE

A NATIONAL fast food chain has confirmed it is looking for premises in Axminster.

Following intense speculation in the town, Domino's Pizza issued a brief statement saying it wants to come to Axminster.

But the link between its search for premises and the closure of Castle Inn appear to be wide of the mark as Punch Taverns says it is seeking a new landlord for the pub.

The pub was recently boarded up and rumour was rife that the pizza chain would move in.

The communications manager for Domino's Pizza, Helen Tosney-Collins, told *Pulman's View*: "We are continually researching and reviewing locations across the country in which to open new stores."

by Anders Larsson
anders@tindlenews.co.uk

"We have identified Axminster as a possible location for a new store and are currently looking for a suitable site in the town."

The announcement was met with mixed reactions. Local restaurant Le Pisani recently introduced a pizza and pasta takeaway/free home delivery service.

Raymond Pisani said: "We don't mind the competition, but it will hit us. We will lose some of our trade. Axminster is not big enough for another pizza place."

Franco Pisani added: "We can challenge on taste and price without any doubt."

Axminster Chamber of Commerce chairman Shane Morgan commented: "Any national chain that takes a look at our growing town has to be good news. I think it would be well received."

"Axminster would be the ideal location with the huge hinterland we've got."

Whether or not the company finds a suitable place in the town remains to be seen, but it is unlikely to be in the Castle Inn premises.

Over the last few years the pub has been frequently closed down and then reopened as landlords have come and gone.

The most recent closure also saw the premises boarded up, which hasn't been the case before.

A spokesperson for Punch Taverns explained: "We can confirm that the Castle Inn has closed."

"For insurance purposes we have had to take certain measures to secure the property, this includes the boarding of windows and doors."

"Our local teams are working hard to recruit a new tenant for the pub and we hope to reopen to the community in the near future."

Look out Mo, Jack's out to beat you!

AXMINSTER charity runner Jack Richardson, 47, says Mo Farrah will have to work hard to beat him in The Great North Run.

There was a large element of tongue-in-cheek involved when the Axminster resident said: "I'll be running head-to-head with Mo Farrah, so he has got a bit of a challenge on trying to beat me."

Jack (pictured) took up long-distance running ahead of last year's Amsterdam Marathon in October. He raised a total of £960, was shared between NSPCC and Love 146, the latter working internationally to end child trafficking and exploitation.

This year's Great North Run (a half Marathon) will take place on Sunday, September 13th, and Jack hopes to raise £500 for NSPCC

Although he has maintained a very active lifestyle, running was put on the back burner for a while when he spent a month trekking in the Himalayas this spring.

He said: "I started to slowly build up the running in April, but training is a little trickier than I'd hoped - squeezing life in too. But I'm getting there."

Having completed Amsterdam Marathon in a time of four hours and eight minutes, he is hoping to complete the Great North Run in one hour 45 minutes.

Anyone wishing to sponsor him can do so online at www.justgiving.com/CapnJackNorthRun-NSPCC2015

TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

SOUTH SOMERSET Chief Constable asked to resign following misconduct charges

SOMERSET and Avon Chief Constable Nick Gargan has been ordered to resign after being found guilty of eight counts of misconduct.

Mr Gargan was suspended from the force in May 2014 after being accused of gross misconduct involving inappropriate advances towards female colleagues, which he was cleared of by a panel in July. However, the inquiry panel found him guilty of eight other counts of misconduct, including sharing private police information and having intimate images on his police-issued mobile phone.

Although his suspension from the force was lifted after the inquiry, Police and Crime Commissioner Sue Mountstevens, who personally appointed Mr Gargan as Chief Constable in 2013, has now demanded that he leave his £175,000 a year post. Three former Chief Constables of Avon and Somerset Constabulary have also called for his resignation and a petition saying he should leave the post has been signed by more than 1,200 people.

Following Mr Gargan's hearing with Ms Mountstevens last week, a report by the Independent Police Complaints Commission (IPCC) on the misconduct charges brought against the Chief Constable was made public.

The report described how Mr Gargan faced a total of 16 charges, three of which were later withdrawn. He was found guilty of seven counts of forwarding emails containing police business to non-police email addresses - one of which included sending details of a new job to a woman he said he hoped would apply.

Following last week's announcement Chief Constable Nick Gargan has been suspended. Acting Chief Constable John Long will continue to lead Avon and Somerset Constabulary and, following Mr Long's retirement at the end of August, Deputy Chief Constable Gareth Morgan will take over on a temporary basis as Chief Constable.

From the editor's chair More pizza anyone?

DOES Axminster need another pizza outlet? I ask the question after reporting on the front page of our Axminster edition that whilst rumours that Domino Pizza were taking over the The Castle site on Anchor Hill are not true (the brewery is looking for another tenant), the national pizza chain have confirmed they are looking for an outlet in Axminster.

There's two ways of looking at this. It is good news that a national chain wants to open an outlet in Axminster, demonstrating faith in the future of the town as a vibrant commercial centre, but is the town big enough to warrant another food outlet selling pizza?

Those who already sell pizza, understandably, would say the town is not big enough for an operation like Domino. They may well be right.

It's good to see that progress is at last taking place on the conversion of the former Webster's Garage site into a temporary car park.

Wouldn't it be nice if a little sitting out,

grassed area is included? And it would be better still if there was some positive news about the former George Hotel which still stands empty in the centre of town.

There's persistent rumours that Wetherspoons might be looking at The George but that's not likely to happen as the company tells us the ground floor area at The George is not big enough for their requirement.

♦ **THANK** you for the many messages from readers we received on the occasion of our eldest daughter Zoe's wedding. It turned out to be the most enchanting, wonderful day of our lives, after which Jackie and I took off for a week's holiday in Amalfi in Italy, our first real break for eight years.

My loyal deputy James Coles kept the good ship Pulman's afloat during our absence. He did such a good job, in fact, that I'm already planning our next break...

HONITON Plans for new town 'blueprint'

IMPROVED parking facilities, tougher speed restrictions and extra cycle paths are among a series of suggestions brought forward as part of a project to plot the future development of Honiton.

Members of the community have called for a series of key local issues to be addressed in the ambitious project, which will culminate in the creation of a planning 'blueprint' for the town.

The scheme is designed to give Honiton residents a greater say in the development of the community by setting out their own vision for its future.

Honiton Town Council is steering the 'neighbourhood plan', which will eventually become a statutory document that district planners must consider when deciding on whether to grant permission for major developments.

As well as the ongoing issues to do with parking and speeding in the town centre, members of the community have also called for additional cycle paths and extra open spaces for families and children to make use of.

OTTERY ST MARY Police issue warning after spate of thefts from vehicles

POLICE in Ottery St Mary have renewed warnings to drivers that their property could be at risk from thieves this summer following a vehicle break-in at one of the area's beauty spots.

Officers are urging visitors to take extra care of their valuables and not to leave them on display on dashboards or passenger seats.

The appeal comes after a parked car was broken into at the White Cross car park, East Hill, earlier this month.

The window of a blue Nissan X-Trail was smashed and several of the driver's personal belongings snatched.

Police believe over £1,000 worth of valuable possessions were stolen during the incident, which took place on Thursday, August 13th.

Police Community Support Officer Maria Clapp said: "The latest incident up at East Hill is a clear reminder to all drivers to make sure their vehicles are secure when leaving them in a public place."

EAST DEVON Tramway warns drivers not to skip lights at level crossing

CAMERAS have been installed at the level crossing in Colyford to catch drivers skipping lights to cross the tramway.

Seaton Tramway has urged motorists to use "extreme caution" when approaching the red lights at the level crossing on the A3052, and now CCTV has been installed to capture anyone who doesn't heed the popular tourist attraction's advice.

The safety precaution comes after a car crashed into a tram when it failed to stop at the red lights in April this year, causing significant damage but no serious injuries.

Jenny Nunn, CEO of Seaton Tramway, said: "Not stopping at a level crossing when red lights and audible alarms are sounding is not only a dangerous thing to do, but also an offence."

Devon and Cornwall Police are working closely with the tramway and have confirmed that enforcement will be taking place within the area in the near future and offenders could face prosecution.

PC Steve Lee of Devon and Cornwall Police commented: "I would like to advise motorists who contravene the warning signs and lights at the Colyford tram crossing that they not only put their own lives at risk, but also that of their passengers and the occupants of the tram."

"They are committing an offence contrary to section 36 of the road traffic act and enforcement will take place in the locality in the future."

"Upon conviction of such an offence a court may impose a financial penalty of up to £1,000."

"If, as a consequence of dangerous driving or driving without due care and attention, a fatality occurred, the maximum penalty is 14 years in prison."

Twitter gag imposed during council debate

A POTENTIALLY explosive town council debate turned into a damp squib after members were told not to discuss the ongoing Twitter controversy.

As reported previously, mayor Douglas Hull has sent a letter to members of Axminster Town Council, saying a member has apologised for tweeting "a link to a pornographic website" to the council.

Although not mentioned by name in the letter, Paul Hayward had previously been named as the councillor in question by district councillor Ian Hall in a statement to this newspaper.

Councillor Hayward strongly denies having tweeted anything to do with pornography.

He admits having used a Not Suitable For Work (NSFW) hashtag, which she says was there

by Anders Larsson
anders@tindlenews.co.uk

to warn people and avoid controversy, not cause it.

During town council public forum on Monday, August 10th, councillor Joy Raymond asked to speak, but was stopped by Mayor Douglas Hull as soon as he realised what she wanted to speak about.

He said: "It [the tweet] has been reported to East Devon District Council's (EDDC) Standards Committee, so cannot be raised tonight.

"It has been reported, but not by me."

He did not say who had reported the tweet, but the meeting continued with other issues until Mayor Hull's ruling was challenged.

He eventually allowed councillor Raymond to speak, and said: "Please Ms Raymond, consider carefully what you say."

She did not name councillor Hayward, but told the mayor: "Thanks for your letter, which was not marked private or confidential.

"We get a tweet from a councillor sent into the public domain. 'Not Suitable For Work' speaks for itself.

"Members of the public have come up to me. It is a great source of gossip in the town.

"It is a betrayal of trust. It has left me with no confidence in said councillor.

"Isn't it best if said councillor fall on their sword?"

Councillor Hayward did not respond, and did not enter the debate.

Owls meet snake

OWL Class from St. Mary's Catholic Primary School in Axminster travelled the short distance to Axe Valley Wildlife Park.

Members of the 25-strong class had prepared by studying a book called *Meerkat Mail*.

Part of the programme were sessions during which the children got to handle a selection of animals, including a snake.

Owl Class then completed a trail around the entire park, looking for cards with the answers on to questions they had on a clipboard.

One pupil named Josh said: "I was surprised at how big the park was."

During a rainy spell, one group visited the gift shop whilst other groups did sketching in their art books.

A second handling session in the afternoon was all about insects. They also stroked a bearded dragon and millipede.

HANDLE WITH CARE: The children meet a snake

Miss Upson (Owls Class teacher) pretended to be a tree and had two different stick insects put onto her back.

Even though it was a rainy day, the children and staff all really enjoyed the visit, and lots of children were heard to say: "It was the best day ever."

Party for TIC head

THE woman credited with saving Axminster Tourist Information Centre had a birthday bash to remember.

Current Axminster Tourist Information Centre (TIC) chairman Sarah Crook turned 60 on Sunday August 23rd.

After 30 years in teaching, she first got involved with the TIC almost 10 years ago when appointed its manager by Axminster Chamber of Commerce, which ran the facility.

Sarah eventually stepped down but got involved again when the chamber of commerce severed its ties with the TIC, and closure was a real possibility.

Whilst Sarah would be the first one to stress it was a team effort which saw the formation of a new set-up to rescue the TIC, her fellow committee member Joy Raymond said:

"This is probably one of many parties for her as she is held in such a high esteem by so many.

"She is full of so much boundless enthusiasm that she could promote holidays on Mars and get the funding for the rocket to get there.

"If it wasn't for her, we wouldn't have the TIC here today, make no bones about it."

Theft from garden

A BLACK water pump has been stolen from a garden in Beavor Lane, Axminster.

The theft took place at some point between Monday, August 10th and Tuesday, August 18th.

A police spokesperson said: "Other items were moved and ready to be taken and an apple tree was dug up and left lying on the ground."

Police are appealing for any witnesses and ask that anyone with any information contact them on 101 or 101@devonandcornwall.pnn.police.uk quoting crime reference CR/057743/15 or alternatively call Crimestoppers anonymously on 0800 555111.

The party was held at TIC neighbour Axminster Arts Cafe on Monday August 17th.

Local students score 'impressive' GCSE results

GCSE students continued the summer of success for East Devon's schools as a string of impressive individual performances put the seal on the academic year.

School leavers signed off their college careers with another strong set of results, following on from the many A-level success stories a week earlier.

All schools in the *Pulman's* area had plenty to celebrate as students arrived to collect their long-awaited results on Thursday, August 20th.

And many of East Devon's top performers capped a year of hard work with exceptional grades.

No fewer than 11 students at Colyton Grammar School achieved a clean sweep of A* grades, with almost three quarters of grades awarded either A or A*.

by Jack Dixon
jack@pemedial.co.uk

Among the other high achievers were Axe Valley Community College's Hannah Burnett (8A*, A), Sidmouth College's Charles Powell (8A*, 5A) and Matt Derham (9A*, 2A), from the King's School in Ottery St Mary.

Three of the top performing students at Honiton Community College – Nick Long, Hollie Johnson and Cameron Boland – also achieved four A*s.

East Devon's headteachers wished all students every success for the future as they begin A-level courses, take up apprenticeships or head out on gap years.

CLOCKWISE from above:

■ **HIGH ACHIEVERS:** Almost three quarters of Colyton Grammar School students earned a clean sweep of A* or A grades

■ **JOB DONE:** The wait was finally over for King's School students Ben Pratt and Imogen Millard

■ **TOP OF THE CLASS:** Will Down (left) and Connor Murphy collected their results at Sidmouth College on Thursday

KEEPING FIT: Jean (holding the card) celebrates at Flamingo Pool after her regular session

Celebrating the century with a swim

HAVING begun her 101st year didn't stop keen swimmer Jean Spicer from putting in a shift of three and a half-lengths before celebrating her birthday a second time.

Seaton resident Jean turned 100 on Saturday, August 8th, and celebrated at a pub with friends and family.

But she visits Flamingo Pool in Axminster twice a week for a swim, so staff there laid on another celebration for her on Tuesday, August 11th.

Jean used to swim in the sea when she was younger, but has been a regular at Flamingo Pool for nine years.

For the last seven, she has been driven there by friend and TRIP driver Jo Connor, who also swims.

Jo said: "I thought that if she is going to swim, I can go as well. She pays for the coffee and I pay for the petrol."

Flamingo Pool staff had kitted out the foyer with balloons and packed a table with cake and other goodies.

Manager Steve Buxton said: "Jean is here twice a week without fail, which is fantastic."

"We have a 97-year-old regular too."

Jean was born in Hackney and worked as a nursery nurse, starting out at Guy's Hospital in London. She never married but cared for 300 pre-adoption babies as a foster carer.

Jean commented: "I never had a husband, but I had 300 babies." Jean clearly enjoyed having a second birthday party in less than a week, and said: "I feel like the queen today."

Bicycle theft

POLICE are investigating the theft of a pedal cycle in West Close, Axminster.

The theft took place at some point between 4am and 4.10am on Monday, August 17th.

A police spokesperson said: "Someone entered a garage in West Close and stole a man's black and white Giant Hybrid bicycle."

"Giant Hybrid was written in white on the frame."

"We ask residents to be vigilant and always ensure that all outbuildings and garages are left locked and secure."

"Report any suspicious activity promptly to the police."

"If you have any information regarding this incident, please contact 101 quoting crime number 57430/15."

Assembly for Syria

CHILDREN and staff at St Mary's Catholic Primary School in Axminster held a special assembly to pray for the children of conflict-torn Syria.

The special assembly was organised by teacher Rachel Burrough so children and staff could think about the plight of those in Syria.

Headteacher Angela Herrera said: "The children were told that the war in Syria is now into its fourth year, which has resulted in more than 12 million people being forced to leave their homes."

"Millions of Syrians do not have enough food, water or health care."

"The children brought in coins to lay out on a dove of peace drawn on the playground. They then listened to readings and prayed for those in Syria and for the conflict to end."

The children raised more than £50 with their copper coins, which will be donated to CAFOD (Catholic Agency for Overseas Development).

Fire crews seek gas

THREE fire appliances – from Axminster, Chard and Colyton stations – were mobilised to reports of a gas leak at a property in Boxfield Road, Axminster, in the morning of Sunday, August 16th.

A spokesperson for the fire and rescue service said: "On arrival, crews got to work setting up safe systems of work and a covering jet awaiting the arrival of the gas detector from Colyton.

"Crews isolated the gas whilst wearing two breathing apparatus sets but no gas readings were found on the detector.

"Crews awaited the arrival of the gas board before leaving the scene."

Coffee for Marie Curie care

AXMINSTER and Seaton Marie Curie Fundraising Group staged a coffee morning to raise funds for the charity.

The event took place in and outside Church Rooms in Axminster on Thursday, August 6th.

The Axminster and Seaton Marie Curie Fundraising Group supports Marie Curie by raising awareness and funds in the local community.

Founder member Sandy Sinclair said prior to the event: "All of the money we raise stays locally."

Marie Curie provides care and support to people living with a terminal illness.

In Devon, the Marie Curie team of 101 nurses and health care assistants care

for more than 1,400 patients in their homes every year.

The care provided by Marie Curie takes place in their own home and is focused entirely on their needs and providing the best quality of life and care in their final weeks.

It costs £20 an hour or £180 for a whole overnight care package for someone locally to be nursed by Marie Curie.

■ Nine-year-old Joshua Marlow, aged 9, has won a Booktrack Gold Award at Axminster Library by reading 100 books.

Library supervisor Sarah Jones said: "Joshua is an avid Liverpool fan and the first ten books he read for his Booktrack award were all about football. But the next 90 books were all sorts. Still, we couldn't help slipping a packet of football trading cards into his Book-track goodie bag."

Joshua, who is a pupil at All Saints Primary School and lives in Axminster, also received vouchers from

Archway Book Shop, Flamingo Pool and Pecorama.

CLOSED SUNDAYS & MONDAYS

Another action packed Regatta Week in Beer

ANOTHER fantastic firework display brought the curtain down on the 2015 Beer Regatta.

The evening drizzle couldn't dampen the enthusiasm of the spectators at the end of day that included the traditional raft races and the popular fancy dress competition.

A rendition of the Beatles' song by the crew of the colourful Yellow Submarine – manned by Danny, Darren and Brian Clinch with Shane Aris and Scott Rowson – amused the crowd on the beach, as did the unintentional sinking of Del Boy's Trotters' Van.

The Clinch family also caught the eye in the fancy dress competition with their Dragon model piloted by Eva & Isabella Langham and Adam Clinch, but they weren't the only ones as the standard of entries was terrific.

So a week that began on a high with the news of long-standing chairman Kate Boalch giving birth to first daughter Isabella Aris ended with smiles and laughter. Roll on 2016.

Sun-soaked Whitford Show

CHRISTOPHER Loud had a great Whitford Summer Show, on August 8th, clinching five cups.

The weather was very good, Whitford Produce Association chairman Maureen Davey saying: "We were once again fortunate in that we had a most glorious sunny day and Factor 50 was much in demand."

The event was opened by local parish councillor Peter Rugg, and judges had a busy day with more than 500 entries. Maureen explained: "The judges were very impressed with the extremely high standard of exhibits and all agreed that we are raising the standard of our show."

"The children's entries were particularly pleasing this year with many new children entering for the first time."

"Our thanks go to Mary Thomas for again organising a very entertaining dog show. All 12 classes were very well supported and the array of colourful rosettes adorned many a happy dog and their owners."

"This year we extended the stalls which included many local crafts and were fortunate to have many classic and vintage cars which were a delight to see. For many it was a trip down memory lane and we hope to see them in future years."

"We also extended the vintage farming attractions and had a wide variety of 'old' tractors and farm machinery, vintage chainsaws and miniature steam engines. They were very popular and together with the shepherd hut made up a

large display for all to enjoy."

The Chard Concert Brass Band played throughout the afternoon, and new to the show this year were the Flowerpot Men, a group of local singers.

Maureen said: "They entertained their audience and encouraged them to join in with the chorus, which they did most heartily."

"The afternoon was rounded off by the raffle and our famous auction of superb winning vegetables and flowers were offered at knock down prices."

"The organisers of the show are hugely appreciative of all the support that is given by the people of Whitford, Shute and Umberne and we are very grateful to them."

Jazz added to menu for Chardstock fayre

CHARDSTOCK Street Fayre returns on Saturday, September 5th, and promises to be even bigger and better than ever, **writes Anders Larsson.**

Organised in conjunction with Chardstock Vintage Tractor and Machinery Club, and St Andrew's Church, there will be displays of vintage tractors, stationary engines, classic and competition cars and motorbikes, various other displays, street entertainment, dog show, stalls, competitions, exhibitions, food, live music and much, much more.

Publicity officer Graham Vyse said: "We have a real treat for lovers of jazz standards this year, as we're joined for a relaxed lunchtime set of soulful jazz tunes by Maggie Reeday and her trio.

"Maggie is one of the country's finest interpreters of the classic jazz songbook, and her smoky voice lends itself beautifully to heartfelt ballads and blues."

Chardstock Street Fayre will start at 11am and continue late into the evening. Admission will be £2.50 for adults (children under 16 free).

Proceeds will be donated to Hospiscare, ARC Axminster, Cancer Research and other local good causes.

Mr Vyse concluded: "Join us in Chardstock, for what is always a great day with something to offer for the whole family.

"This is a massive event in the life of Chardstock and we are always in need of helpers.

"If you feel that you would like to get involved in the preparations or assist on the day, even if it is only for an hour or two, please contact Sarah Williamson on chardstocksf@outlook.com / 01460 261141."

Since its foundation in 1999 the Chardstock Street Fayre team has raised almost £50,000 which has been used to support local good causes.

Kilmington hosts children's holiday club

AROUND 50 children could have been in danger of frostbite and hypothermia, but at the Polar Explorers' Holiday Club there was a warm welcome for them.

The Baptist Church, Kilmington, ran a holiday club each

morning for the local community from August 3rd-7th.

With an enjoyable mix of games, crafts, dancing and singing, the kids got into the theme of the week with loads of energy.

Polar bears, penguins, arctic wolves and moose were all to be seen joining in the fun, as well as Olaf the Snowman.

Club leader Juleta Obudo said: "It was the biggest and best Holiday Club to date that we have run. With around 36 leaders from a range of local and global churches helping, it was amazing to see them keep up with the enthusiasm of the young people."

Pastor Darrell Holmes added: "The week ended with a free BBQ for the children and their families in the bright sunshine, and on the Sunday a celebration was held as winners among the children received their prizes for highest scores of the week."

■ ADVENTURERS: The holiday club was a real hit

670th Dalwood Country Fair

DALWOOD held its annual Country Fair on Saturday, 15th August.

Having a long and distinguished history, this was the 670th version of the fair, which had something for everyone.

Dalwood was granted a Royal Charter by King Edward III, in 1345, so it is one of the oldest country fairs in the South West.

In addition to tried and tested attractions, organisers this year added Sumo wrestling, a fun dog show and a bungee pull.

The local Methodist church was deemed to have the best stall, so claimed the 2015 Dalwood Country Fair Street Market Shield.

This year's charities chosen to benefit from the event were Devon Air Ambulance Trust, Children's Hospice South West, Multiple Systems Atrophy Trust, The Project and Devon Free-wheelers.

Where is superfast broadband?

AN open letter to the Devon County Council Place Scrutiny Committee

■ AS employers and business owners in rural Devon and Somerset, the lack of fast broadband is an ever-growing issue which prevents us competing on a level playing field with similar businesses in the towns and cities.

When the rural Phase 2 Superfast Broadband programme was funded by £22.75M from Broadband Delivery UK in January 2014 we were delighted that fast broadband would soon reach at least 95 per cent of the two counties.

During 2014, the competitive open tender process that Connecting Devon & Somerset (CDS) embarked upon seemed that it would deliver the most coverage at the best price.

In November 2014 however, CDS changed their minds, telling us that they would deliver a better solution if they placed an exclusive contract with BT and we were told to trust them.

Nine months later on June 26 2015, it was announced that the CDS Board had failed to agree an exclusive Phase 2 contract with BT and they would revert to issuing another competitive open tender.

It is now 18 months since funding was made available and Devon and Somerset are the only two counties in the UK not to have a 95 per cent minimum Phase 2 broadband contract in place.

If CDS embark on their third attempt to find suppliers, it will take at least another six months, which could stretch to a year, before Phase 2 contracts are signed. Even then, at least 5 per cent of us will still not be included in the programme and we will not find out who is not included until 2017 or beyond.

We cannot run our businesses on this basis. Our websites are our shop windows and with every day that passes, more of our business processes rely on fast broadband, to sell, to buy, to arrange shipments and to pay our taxes, not to mention the legitimate

needs of every rural resident to interact via fast broadband, with online banking, shopping, Skype and other rapidly evolving information services.

In 2013 DCMS, the government department responsible for the superfast broadband programme, published a report by Cambridge Econometrics which showed that when fast broadband is provided, the local economy grows by £20 for every £1 invested – a Return On Investment (ROI) of 20 (the most optimistic ROI forecast for HS2 is 1.7).

Nearby towns and cities which now have superfast broadband are reaping the rewards of this investment, whilst CDS has failed twice to even find superfast broadband Phase 2 suppliers for rural Devon and Somerset, with the exception of the two National Parks. This is now an urgent issue.

We were therefore pleased to hear that on July 8, the Devon County Council Cabinet referred the CDS Board's attempts to secure a Phase 2 contract to their Place Scrutiny Committee who have now scheduled an extraordinary meeting on September 3rd for that purpose.

We have, however, learnt that there are currently no plans to call external witnesses to the public scrutiny committee meeting. The only information to be considered by the committee will therefore be provided by CDS, the CDS Board and possibly BT.

This will not produce a fair examination of the programme and we call on the DCC Place Scrutiny Committee to take evidence on this issue from concerned rural businesses and residents in the two counties affected by these decisions, as well as the organisation currently responsible for delivering this programme with a £98.5M budget: CDS and the CDS Board.

Axminster traffic

■ I APPLAUD and concur with the recent comments of Ian Styles, MD Axminster Tools & Machinery.

Surely one answer to help sort out this ever increasing problem is to stop all future development and planning consent until such time as a proper relief road is built. A hefty contribution toward the cost of the relief road should also be a condition of planning consent.

Do any of those allowing these projects actually live near Axminster?

Further ease of town centre congestion could be eased via a complete ban on town centre parking as and when the new Websters garage parking site opens.

**CD ROBINSON,
Axminster**

■ THE recent intervention by Mr Styles of Axminster Tools & Machinery in the seemingly interminable debate about a bypass for Axminster is welcome.

However, whenever the subject is raised it is automatically assumed that the only option is a North-South route with all the ensuing difficulties and costs involved of such a route over such terrain.

Surely a much simpler and cheaper option would be to start the bypass North of Weycroft Bridge at the layby where the A358 crosses over the rail line and continue along the route of the rail line meeting Trafalgar Way behind Axminster Tools & Machinery.

A sensible improvement to the A35 junction would then be all that is necessary to finish the job.

Obviously all routes will cause disruption and I sympathise with anyone who lives anywhere near or on any proposed route but there is relatively little in the way along the rail line, it has the benefit of being on flat ground all the way and it addresses the Weycroft bottleneck which would not be the case on the North-South route currently envisaged.

Seaton's seagulls

■ PETA has advised the "humane" treatment of seagulls, it is reported a gull has been killed in Bridport.

Consideration should also be given to residents and visitors to Seaton, people are becoming concerned over the number of gulls in the centre of town, particularly during spring and early summer months.

The call of gulls at dawn is enough to waken people, they build nest on roofs and amongst chimney pots, a very unpleasant effluent is regularly sprayed on roofs, down the sides of building, into gardens and onto cars. Cars parked behind the Town Hall and in Orchard Long Stay parks are frequently plastered with such effluent. From time to time a hawk has been seen in Town and on the Front, the effect is to cause the gulls to create an even louder clamour, fly around in an agitated state with little being achieved to remove the presence of the gulls.

Surely it is now time to take, if you wish, "humane measures" to control the number of gulls.

Seaton**

Tweeting councillors

■ AXMINSTER town councillors – the election is over.

If you don't get how Twitter works, and don't understand hashtags, stay off Twitter.

If you do get it and just want to use this silly tweet to score political points, stop it.

It is the childish sniping at each other that undermines the integrity of the town council, not this non-issue, so stop undermining each other and do something that actually matters to us.

We care about traffic clogging in town, we care about the long promised bypass, we care about the future of our town's businesses, we care about infrastructure being able to support its rapid growth, we care about our hospital, we don't care about a silly tweet and political games.

You are a collective organisation, elected to work together for the good of the town. Act like it...

The popular Bingo Night in the town hall takes place on the same day; doors open from 7.30pm, eyes down 8pm.

Sunday 30th is full of events happening around the town. The Classic Vehicle Show on the esplanade takes place from 10am-5pm. The crabbing competition for the children is from midday at Seaton Angling Centre, and there's also Songs of Praise for all the family to have a sing-a-long. Anne Swithinbank will be crowning this year's Carnival Queen and her

princesses at 6pm in the town hall.

Do you have any plans for Bank Holiday Monday 31st? The whole family can grab a bargain at the carnival's famous Street Fayre. There will be 40 plus stalls, from market traders to charities.

There's also Bowling Drive at the Bowling Green from 2pm.

Do you know the local area well or fancy finding out more about the beautiful surroundings? Then join in the fun at the Car Treasure Hunt on Tuesday, September 1st, starting from the Methodist Church Car Park at 6:30pm. Don't forget your torch in case you get lost and all clues can be seen from the car. For more details please contact Eric Samways on 01297 24260.

The whole family can enjoy the Battle of the Brains Quiz Night at Seaton Town Hall; doors open at 7pm on Wednesday, September 2nd. Please call 01297 21813 for your entry forms so you can prove to all your friends and family that you have what it takes to win!

There's a murder mystery night at the town Hall on Thursday, September 3rd, from 7:30pm. Can you solve the mystery? Seaton Drama Group has a great night out planned with a quiz.

Message From The President

The Carnival season is here once again and I hope the Carnival, in this special 50th year, will be as successful as in previous years. Seaton Carnival is the first in the circuit and I hope we get some good weather on the night. We have a very hard working committee who organise all the events to make the carnival week a very enjoyable time for everyone, so please come along and support all the events in our programme.

Message From The Chairman

As another year flies by we find ourselves at Carnival time again. This year sees Seaton Carnival in its 50th year since it was reformed way back in 1965. I'm very proud to be Chairman in this special year.

I've been involved with Seaton Carnival ever since my family and I moved to Seaton in 1994 and have enjoyed every minute of it, however all good things come to an end and this year will be my last year as Chairman, and also part of Seaton Carnival committee.

There are a lot of people who deserve recognition for all their hard work not just during Carnival week but throughout the year and this year is no exception, my thanks go to all of the Carnival committee and float committee for their continued support also to all the businesses within Seaton for their support of the Carnival programme. We couldn't survive without your help.

Many thanks to those who help in organising events for us and organising the many pages of paper work it takes to arrange road closures etc. My sincere thanks to all of you who turn up on Carnival night, and show your support by way of donations in our buckets. Together we have raised many thousands of pounds for local good causes, please show your continued support this year, enjoy your Carnival and be safe.

Message From The Secretary

Hooray its Carnival season again... and it's our 50th Anniversary!

This is my first year as Secretary and I would like to say a big thank you to Marie Churchill and my fellow Committee members for all their help and to all the advertisers in this programme and anyone that has taken part in the I-spy Competition.

The programme this year has lots of past photos spanning 50 years of Seaton Carnival. Many of you will recognise your friends and family taking part in previous Carnival Celebrations.

I would especially like to thank Dee Byrne-Jones for searching for and providing the negatives and Ian Barradale, my husband, for scanning them ready for publication. On procession night I will be collecting in fancy dress, if you have time to spare, go to the collecting car on the Esplanade and ask me for an official tin to collect.

I hope to see you all at the Carnival events and on Carnival night at the Grand Procession. See you there.

Janine Barradale

day 5th September on the Esplanade at 10.30am. £1 per class.

Seaton's 2015 illuminated carnival procession will take place on Saturday September 5th, and starts at 8pm on the Esplanade. Seaton Carnival is traditionally the first carnival in the East Devon circuit and attracts floats and entries from not only East Devon but also across Devon, Dorset and Somerset. Each year thousands of people come to see the event, which features bands, majorettes and lots of colourful floats.

Please Note the streets to be closed for procession night are: Fisherman's Gap, Trevelyan Road, Beach Road, Harbour Road, Underfleet, Fore Street, Marine Place and the Esplanade. To help the carnival procession keep going for many years to come, please come along and collect on the night, you might win a prize if you come in fancy dress. Collection tins are available from outside The Esplanade from 6.30pm.

If you would like to enter the procession, please call Procession Manager June Millman on 01297 23491. Please return the forms by noon on Wednesday August 26th.

Please buy a carnival programme from local shops and businesses to find out more information also for the colouring competition and I-spy competition, as well as the FREE £100 lucky prize draw sponsored by Seaton Fish Bar.

All of Seaton Carnival Committee hopes that the sun will be out and everyone enjoys all of the events and please give generously so the committee can give back to local charities. The Carnival week would not happen without the

support of the traders/businesses advertising in the carnival programme and the public that help them every year raise money to give to local charities and have kept the carnival procession going for 50 years.

SEATON CARNIVAL NEEDS YOUR HELP!

▲ Carnival President and Chairman giving donations to local charities in 2014 AGM

SEATON Carnival Week and the main procession did well with their fundraising last year. This enabled them to give money to many local charities and groups. At their AGM, the Committee were proud to present cheques to various local charities and groups again this year. Donations were made to the following:- Seaton Senior Council, 1st Seaton Brownies, 2nd Seaton Brownies, Seaton Drama Group, Seaton Memory Club, Seaton Martial Arts, Seaton Majorettes, Seaton

Decor, Seaton Mari-onettes, Seaton Fire Brigade, Seaton Scout's, Seaton's Young Leaders in Service, Seaton Police Benevolent Fund, Bellini Bathers, RNLI and the Royal British Legion Riders Club.

The committee needs your help again this year to be able to give more money to local charities than ever before. You can help during the evening of the Carnival Procession by collecting money on route with a collection tin that you can get from the Esplanade. Or, by emptying your pockets into the official collection tins. You can also help support the Committee by taking part in the many events planned throughout the

year and especially Carnival Week. If you would like to help or join the Carnival Committee please call June Millman on 01297 23491 for more information.

To qualify for a donation from this years carnival you will need to volunteer your services during carnival week.

Carnival Week would not happen without the support of local traders and businesses advertising in this Carnival Programme and the public who help the committee every year raise money to give to charity. This has helped to keep the Carnival Procession going for the last 50 years, so please give them a hand to help Seaton Carnival go on for another 50 years!

Slimming World

Super slimmers are voted 'Woman of the Year'!

S L I M M I N G World Members over Devon & Somerset have been celebrating fantastic losses recently in their Woman of the Year competition.

An Ilminster slimmer who says she feels like a new woman since losing weight has been named the Slimming World Woman of the Year because of her inspiring weight loss.

Gillian Parker has been chosen to

represent the Ilminster morning Slimming World group in the nationwide Slimming World Woman of the Year 2015 competition, which aims to find the UK and Ireland's top female slimmer.

Around one in four women in the UK and Ireland are severely overweight and at risk of suffering a range of health problems including diabetes, heart disease and cancer. Slimming World's Woman of the Year competition recognises the achievements of women in making long-term

healthy lifestyle changes for both themselves and their families.

Gill joined Slimming World in March 2014 after becoming increasingly unhappy with her size. She says: "I started to put on weight after spinal surgery when I became immobile and confined to a wheelchair. I had tried different diets before surgery which didn't work for me, and had then lost weight with Slimming World. After surgery, I knew the only way forward was Slimming World. With Slimming World it's completely different, I never have to miss out and I don't have to get hung up on weighing and measuring everything I eat. I don't feel deprived and after losing weight I'm the slimmest – and the happiest – I've been in such a long time!"

Gill follows Slimming World's Food Optimising eating plan, which encourages slimmers to fill up on satisfying yet healthy everyday foods like fruit and veg, lean meat and fish, pasta, potatoes, rice and pulses without having to weigh or measure. She says: "My family and friends are all amazed how much I can eat and still lose weight. I still eat many of the same meals that I did before I started losing weight, like pasta, risotto, and cottage pie. Now I just prepare and cook them differently – and they taste so much better. I've picked up lots of new healthy recipes from the other members at my Slimming World group, too."

"I know a lot of people worry about joining a slimming club because they don't know what to expect. They needn't be afraid though. Right from the first moment I went into my Slimming World group I felt at home, the support and motivation I've received from my Consultant, Christine, and the rest of the group has been brilliant," adds Gill. "They made me feel so welcome and now I don't know what I was so nervous about – they're like my second family and I look forward to going to Slimming World each week. I definitely don't think I could have lost all this weight without them."

"When I started out I never dreamt I'd be able to achieve all that I have. I lost 3.5lbs in my first week, 5lb in my second and was blown away that the changes I'd made had such a big impact so quickly. As the weight started to come off and I began moving down dress sizes – I've gone from a size 24 to a 12 – I started to believe I could actually lose the weight and keep it off. Losing the weight has made such a huge difference – it's changed my life. I've got so much more energy and I can do things now that I couldn't before. My fitness and health have improved immeasurably. I am no longer reliant on a wheelchair, and can walk; needing oxygen 14 hrs a day is a thing of the past, and my blood pressure medication has halved. I'm more confident and I like the slim happy, positive person I see in the mirror. I feel like a winner already, so being voted the Ilminster group's Woman of the Year 2015 is just the icing on the cake."

Now Gill will go forward to the regional finals of the competition putting her in the running for the national title. The national Slimming World Woman of the Year 2015 will be announced in November and the winner will take home a £3,000 cash prize.

Christine, who runs the Ilminster group, says: "I'm so proud of Gill. Not only does she look fabulous, she's improved her health and is bursting with energy. She's a huge inspiration to everyone in our group and I hope she inspires other women in the area to change their lives in the same way. It can be hard to admit that you need to do something about your weight and to ask for help, but I think Gill shows just what's possible when you do. She always says that if she can do it, anyone can and that's certainly true!"

Slimming World groups are held daily (morning and evenings) across East & Mid Devon and South Somerset. (please see advert) To join or find out more call Sharon on 07963337178.

Val Davis Traditional Acupuncture

Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years

Trudy Smith BWRT Therapy

BWRT is a relatively new form of therapy for the 21st century which is evidence based and solution-focused. Often, only one session is needed. BWRT stands for BrainWorking Recursive Therapy, a model of psychology and psychotherapy created by professional therapist Terence Watts MCGI. It is totally confidential that doesn't require you to reveal any private information or personal secrets to your therapist and it is carried out in a completely conscious state. It does not use hypnosis or any mystical concepts. It is completely logical and practical and only needs you to know what you want to change in your life for it to be completely successful. Only certified practitioners have been trained to deliver BWRT and all have to adhere to a strict ethical code. Find out more at <http://bwrt.org>

West of England Laser Centre

Q. I HAVE a mole next to my nose which I have often thought about having removed. I am going on a cruise in August to celebrate my 50th wedding anniversary and wondered if I would be able to have the treatment before then?

A. Yes, you have plenty of time to have this treatment before your cruise. Initially you would need to come for a Consultation with our Surgeon on a Monday evening or a Wednesday afternoon at the Nuffield Hospital in Taunton. You can make an appointment by telephoning 01823 331773 or by emailing lasercentre@lineone.net. Following the consultation we can book you in for your treatment, usually within a couple of weeks, if you wish to go ahead.

Q. I have always wanted to have this done .. but always been a little nervous how painful is the treatment?

A. Please do not be nervous, this treatment is very painless and straight forward. Our Surgeon will inject a small amount of local anaesthetic into the area prior to treatment. The laser is very precise and targets only the mole itself and does not affect any of the surrounding skin. When the anaesthetic wears off you may feel a slight discomfort or stinging, this is fairly mild but if you do wish to take paracetamol this will help.

Q. During the cruise I will be exposed to the sun, will I still be able to do this following treatment?

A. We would always recommend using a high factor sun cream whenever you are exposed to the sun, especially on the treated area. You would need to wait 2 or 3 weeks for the skin to be fully healed before you go into the sun but the high factor sun cream will not only protect the more sensitive, treated area but will also help prevent further sun dam.

Michelle Hague

FINDING the motivation to change means keeping up your effort consistently, when it would be easy to give up. It involves doing everything possible to achieve your changed goals.

Regardless of what you want to change, a habit, a fear or even an emotion, from weight to exercise and from creativity to the boardroom, hypnosis can help.

Motivation to change begins with the three D's. The first D stands for direction. Before you can begin the process of change, you must first consider the different directions you can go in your life, and set your achievable goals out clearly. You could continue your life as it is now, make immediate and dramatic changes, or take a slower route to change, either way setting a timeframe helps.

The second D represents decision. With these three choices of direction, you must decide on one direction in which to go. No directions is necessarily right or wrong, better or worse, they're simply your choices. Your choice will dictate what changes in your life and the amount of time and effort you put into those changes..

The third D stands for dedication. Once you've made your decision, you must dedicate yourself to it. If your decision is to make significant changes in your life, whether quickly or slowly, then this last step will determine whether those changes are going to succeed.

Your decision to change will then become a top priority in your life. Only by being completely dedicated to your direction and decision will you ensure that you have the motivation you will need to achieve your change goals.

Clinical and cognitive behavioural Hypnotherapy can help you set out these clear goals and help you stick to your plan helping you stay focused and succeed.

Body-ease The Alexander Technique

The Alexander Technique for Riders

GOOD for us and good for our horses!

'The horse has given us pleasure ages and service throughout the ages. Yet all the while it was bringing us an even greater gift: a gift of life - the lesson of 'good use'. (Danny Pevsner)

If you watch a horse when he is free, he uses himself well, his head, neck and back in perfect alignment. Although the horses' muscle and bone is essentially the same as ours, his muscular and skeletal systems are profoundly affected by the fact that he is physically and psychologically developed for running away from his enemies. He was not primarily designed to have someone sitting on his back. Carrying a rider changes his movement: horse and rider have a dynamic balance - balance in motion not static balance. If that balance is disturbed in any way the horse will not be able to move freely.

The Alexander technique can give us a practical way in helping us to overcome our habitually muscular tension. Our horse will enjoy our newfound lightness and will appreciate being able to move with lightness himself.

Healing

I am a Reiki Master and have been giving Crystal Healing and Reiki since 2003. I work in Axminster where I have my lovely therapy room. Healing can help with so many things because I work on both physical & emotional levels. Having trouble sleeping? Feel emotional but don't know why? Feeling drained? Healing can help with all these things and anything physical from broken bones to cancer. The client remains fully clothed whilst either sitting in a chair or laying on the couch then I place my hands around the body to channel the healing energy. The client may experience heat or tingling sensations and a deep feeling of peace and calm.

Lindy Parry Podiatrist / Chiropodist

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

How acupuncture can help those experiencing cancer

a Wishing Well free talk with
Val Davis – Wednesday 2nd
September 2015 at 11am.

ACUPUNCTURE is a treatment that involves putting fine needles into the body at particular points. The needles are left in place for a short time and then removed. Acupuncture can help with some physical problems such as pain and feeling sick. It can also help to reduce symptoms such as anxiety. People who use acupuncture often say that it helps them to feel relaxed and improves their overall feeling of wellbeing.

People with cancer are often referred because they are in pain and research has shown positive results for acupuncture in controlling pain.

It is also widely used to alleviate a dry mouth in people having radiotherapy for head and neck cancers. It can help with tiredness and general weakness, breathlessness and hot flushes due to anti-cancer drugs.

Val Davis has practiced acupuncture at the Health and Wellbeing Centre in Axminster for over 20 years. She decided to become an acupuncturist following her own successful treatment for repetitive strain injury and she's never looked back. She is passionate about her work and believes she has "the best job in the world". She has previously worked with those experiencing cancer and their carers at FORCE in Exeter.

She will be giving a free talk at the Axminster Health and Wellbeing Centre on Wednesday 2nd September at 11am for our Wishing Well cancer support group. Anyone who thinks they might benefit is welcome to come along. We have also been given some funding by Macmillan recently and will be able to organise free treatments for qualifying attendees.

Wishing Well usually meets weekly on Thursday afternoons from 2.30-4.30 at the Centre. We are running a series of free talks and workshops and we also provide a safe space to meet, chat, have a drink and relax. If you'd like any more information or to be added to our mailing list please contact us on 01297 444951 or email info@axminsterwellbeing.com – or just come along to our talk on Wednesday or drop in on a Thursday afternoon.

Therapy of the Month Bowen

MELANIE PHILIP has been practicing Bowen for 5 years in the East and Mid-Devon areas, she is also a Hatha Yoga teacher and more recently introduced Energy Healing into her work. She has found this fusion to deepen and profoundly affect her client's healing journey.

Developed in the 1950s in Australia by Tom Bowen, Bowen Therapy is a stimulating and restorative holistic therapy which aims to relieve pain and inflammation by releasing congestion and aiding the body's own healing process.

Bowen is a non-invasive therapy which involves the therapist rolling their fingers and thumbs over muscle, nerve and connective tissue areas, interspersed by periods of rest. The ultimate goal is to reset the body systems and trigger the body's self-healing process. To learn more please visit www.bowentechniqueindevon.com or call 07715 952 896

Breathworks

An introduction to mindfulness

ACCREDITED breathworks Mindfulness teacher and long-time meditator, Kath Woods, runs 8 week mindfulness courses 'Mindfulness for Stress Management and Personal Growth' and 'Mindfulness for Health' at the Axminster Health and Well-being Centre.

Mindfulness is awareness of our experience in the present moment, with curiosity and kindness and without judgement. It is paying attention to what's happening with us, moment by moment, and being open to and accepting of whatever is unfolding.

'Mindfulness for Stress Management and Personal Growth' is especially helpful for people who wish to learn to deal more effectively with stress or anxiety - but you don't have to have a problem to benefit from mindfulness. You can learn meditation and daily-life mindfulness skills to support your well-being and improve your quality of life, wherever you're starting from. The Breathworks Mindfulness for Stress programme comprises 8 weekly sessions of 21/2 hours, and an optional 'all-day' session. Participants are asked to commit to attending all the sessions and to practising at home for 30 to 45 minutes a day.

'Mindfulness for Health' is designed for people who are experiencing on-going pain, illness or fatigue. It is a very gentle approach that teaches the skills of meditation and daily life practice. Clinical trials show that mindfulness meditation can be as effective as prescription painkillers and can enhance the body's natural healing systems.

The course comprises 8 weekly sessions on Wednesday late afternoons, and meditation practice at home for 10 to 20 minutes a day. It is accompanied by the book 'Mindfulness for Health' by Vidya Mala Burch and Danny Penman, winner of the British Medical Association's Best Popular Medicine Book Award 2014.

'Mindfulness for Stress Management and Personal Growth' runs every Thursday 6pm to 8.30pm from September 24th and costs £200 for the course.

'Mindfulness for Health' runs Wednesday late afternoons from October 21st and costs £180 for the course.

Reduced fees for both courses will be available to those on a low income.

For more information, to request the course leaflet or to book a place you can phone 01404 831605 or email Kath Woods on kath.woods2012@gmail.com.

Greenshutters Nurseries & Garden Centre

GREENSHUTTERS Nurseries & Garden Centre is a family run business nestled in the heart of the Somerset countryside. It is open 7 days a week and stocks an extensive range of plants. The Garden Centre has completely changed in the last few years with the layout being completely re-designed. There are new entrances from the road and into the Plant Area and the old-fashioned wooden greenhouse has been restored to its former glory with its bright, white painted wood. Most of the plants are now on tables so you don't have to bend down to look at them and the layout has been designed to make the walk around the plant area enjoyable.

This year Greenshutters Garden Centre is stocking a much larger range of herbaceous perennials and roses, including new and unusual varieties. There is also a new range of quality garden benches dotted among the plants, so you are welcome to wander around the garden centre and take a rest as you go. You can even sit and enjoy the view over Taunton Vale and the Quantocks.

The business also incorporates EVER-

GREENHEDGING.co.uk, one of the largest stockists of evergreen hedging plants in the country. Thousands of plants are grown every year on the nursery from small to large, mature hedging plants; the best sellers being Laurel, Leylandii, Photinia 'Red Robin' and Portugal Laurel. These are delivered locally or nationwide or can be collected from Greenshutters Nurseries and Garden Centre.

Greenshutters is run by Dr Roger Eavis, who bought the nursery in 1998 and the business has grown steadily every year since then. "We pride ourselves on good customer service and advice, good quality plants and I hope we have created a pleasant place to wander and enjoy the plants," says Roger. "We have a great team of staff who are always willing to help and give advice". Greenshutters Nurseries and Garden Centre is well worth a visit.

Win tickets to see Los Pacaminos!

LOS PACAMINOS are coming to perform at the Marine Theatre in Lyme Regis on Friday, August 28th for what should be a very special night.

At least one member of this highly respected seven-piece Americana group will be very familiar. The London-based outfit is led by one of the UK's finest and best loved vocalists – Paul Young. And he's not the only reason to part with your hard-earned cash and leave the house on a Friday night – some of the best musicians in the business have teamed up to present this mix of Tex-Mex classics that will have you dancing the night away!

As Paul himself says, the emphasis is good music and good times. "We sing, we dance, we love.... We drink tequila. Only the good stuff these days!" The band's sound came about because of Paul's love of the music but also the sheer joy of playing it. He says, "I first heard Ry Cooder's hybrid version of Tex-Mex, and I started to escape into a world of life down by the border, hot weather, good food... we started back in '92 and it was too much fun to stop. I

Paul Young

love the lift you get when playing it. We're all past wanting to play or listen to music that depresses."

These guys have played with the best in the business – Queen, Tom Jones, Robbie Williams, First Aid Kit and many, many more – but now you have the chance to see them play in Lyme Regis.

Los Pacaminos promise a great night out. Don't miss them!

Ticket giveaway!

The Marine Theatre has two tickets to give away for this amazing show! All you need to do is answer this simple question:

What was the name of the first band Paul Young played in?

Email your answer to:
admin@marinetheatre.com

VIEW FROM the beehive

WE ARE revving up for a busy autumn with a great selection of events to suit all tastes. 'Richard III' on Sat 5th Sept is the most fabulously sinister, dark and funny portrayal of the murderous king you'll get to see and he's played by a woman! Fresh from Edinburgh and a multi award winning show from the Prague Fringe, don't miss it, it is brilliant. So too is 'Gladiator' on Sat 19th Sept; the most ridiculously inventive, bonkers, comedy show, I laughed uncontrollably when I saw it! This is Spitz & Co's own version of the Hollywood blockbuster Gladiator. Both shows begin at 8pm and are £8 in advance or £10 on the door.

We are very excited that Michael Morpurgo, the award winning novelist (War Horse, Private Peaceful) and favourite children's author, is coming to the Beehive to share anecdotes, read extracts from his best loved stories and answer questions from the audience on Fri 11th Sept.

The wonderful folk couple Kathryn Roberts & Sean Lakeman (Best Duo 2015 Spiral Earth Awards) are performing self-penned and traditional songs, Kathryn's gorgeous vocals blending seamlessly with Sean's exquisite guitar work on Sat 26th Sept at 8pm.

There is a cracking choice of films coming up at the Beehive cinema; The Water Diviner star-

ring Russell Crowe, The Imitation Game with Benedict Cumberbatch, The Theory of Everything with Eddie Redmayne and Testament of Youth.

Various community events are happening too, we currently have the Magna Carta exhibition until Sept 6th, on Tues 8th we have a Bunting & forget-me-not making party for all, from 7-9pm in the café ready for the Dementia Friendly Fayre on Sat 12th from 2-5pm with an awareness talk from 11am-12 that morning and free dance theatre show – Archive from 4-5pm.

Honiton Business Together day, a free networking & advice event for local businesses is at 3-8pm on Thurs 24th. A series of writer's workshops begin with Angela Street and all our usual dance classes begin again after the holidays. Terry Stacey will be hosting our Beehive Open Mic on Weds 9th Sept from 8pm.

The Beehive tea dances return on Friday 11th from 2-4.30pm with scrummy afternoon tea and lovely music from live band Must B Mad playing all of your favourite dance tunes. Do check out the website for more info about any of our events www.beehivehoniton.co.uk or ring 01404384050. Look forward to seeing you!

Modern Jazz Gems Honiton Hill Rally

COOL JAZZ on a summer's evening – what could be better? Add a delicious home-cooked supper, a fully licensed bar, crystal clear acoustics, a friendly crowd and you're all set for a great time.

The latest in the Arts Centre's series of summer jazz concerts, on Friday, August 28th, sees Devon-based drummer and percussionist Ronnie Jones and his band taking to the stage. Ronnie Jones set up this cracking quartet four years ago and the band's skillful arrangements of modern jazz gems – from percussion-infused Latin numbers to smooth as silk ballads – have won them a loyal following across the West Country and beyond. Now it's our turn to be wowed!

The full line-up features Ronnie Jones on percussion and drums, Joss Kidd on guitar, Gary Bayley on sax, and David George on bass. The Ronnie Jones Quartet plays at Ilminster Arts Centre on this Friday, August 28th at 8pm. Tickets are £10 (pre-show supper £12 at 7pm, booked in advance). DixieGrass to play at Lower Bruckland

DIXIEGRASS are four singer-instrumentalists performing old and new standards – Blues Folk, Country, Bluegrass, Classic Jazz, Skiffle and much more – all in the unique and inimitable style they've made their own.

DixieGrass is an all-acoustic band. No backing tapes or tracks, nothing to detract from a great band performing vocals, red-hot instrumentals and good honest music and entertainment – live.

There's a lot of humour in the band and they love nothing more than sharing it with an audience; after all, they want everyone to have as good a time as they're having!

DixieGrass will play at Lower Bruckland Nature Reserve (just off

the A3052 near Boshill X EX13 8ST) on Sunday, August 30th.

See the advert on page 32 for more details.

David Hall

FOLK • ROOTS
ACOUSTIC • JAZZ
BLUES • DANCE
THEATRE • FILM

AUGUST is always a quiet month at The David Hall because – apart from Performance Night – there are no music gigs. However, this does not mean that The Hall has been closed as there have been some well-attended film nights (with Kingsman: The Secret Service, starring Colin Firth, being screened this evening); and, on Wednesday, there was a very successful coffee morning, celebrating the 10th Anniversary of this highly popular monthly event. August Performance Night is on Sunday evening, starting at 7.30pm.

Meanwhile, all of us involved in the music gigs have used the past month to recharge our batteries for what will be a very busy and exciting autumn!

September starts with a "first" for The David Hall when, on Friday 4th, we hold a disco under the title: Middle-Aged Crisis Disco. This is in answer to requests from local people for a venue to provide the music of the 1960's to 2000 for those who no longer go clubbing but love to dance. This could become a regular feature! Please come along and 'strut your stuff'. Start time is 7.30pm.

On Friday 18th September we welcome back a regular visitor when Chris Wood, who is truly a "big name" in Folk Music, will perform. Chris is one of the country's most vivid, arresting and thought-provoking song writers. He recently toured as support to Joan Arma-

trading and the experiences have resulted in his 4th solo album – None the Wiser – which is stunning. Chris is a truly great live performer and this is a gig not to be missed

On Saturday 19th Simon Ellis presents his show, Ghosts and Characters of the South West, during which he plays a fast Ragtime guitar that will have the audience leaping around.... Suitable for adults and children over 12, this is an evening of Folk archives, pub tales and memories of life that are delivered with a pinch of salt and plenty of humour.

The following Saturday, 26th September, we welcome back Sunjay for his second visit. One of the country's fastest-rising stars, Sunjay's guitar skills have been hailed as 'superb, brilliant, intricate and faultless' – not bad for a man of just 21 years! Sunjay's style has that natural drift between Folk and Blues and both camps have recognised his obvious flair. He is without doubt a massive star of the future and a superb night is guaranteed.

December may seem a long way off but I'd like to mention that the 12th December gig by our Christmas favourites – St Agnes Fountain – has already sold out! However, there is another performance on Friday 11th December – so if you want to be there don't hang about as two-thirds of these tickets have also been sold!

Looking forward seeing you at The David Hall this autumn and to updating you again next month.

All the very best, Pete Wheeler,
Petherton Arts Trust

Further events at The David Hall in September

On Friday 11th September, Petherton Picture Show will screen *The Water Diviner* with Russell Crow; and on Friday 25th, Selma, the gripping true story in Martin Luther King's epic civil rights struggle of the 1965 protest march from Selma to Montgomery, Alabama to secure voting rights for African Americans.

Performance Night is scheduled for Sunday 27th at 7.30pm. To perform, please drop an email to folk@chriswatts.org

The David Hall's popular monthly Coffee Morning will be on Wednesday 30th from 10am to 12pm. Entry is free.

Wednesday 30th September is also the final booking date for The David Hall Quiz Night taking place on Friday 2nd October. Tickets are £6 per person, including supper. To book, please phone 01460 240 340. For further details about any of the above please check the website, www.thedavidhall.org.uk, or call 01460 240 340.

Seaton Choral Society is looking for new members

SEATON CHORAL SOCIETY will hold its first rehearsal of the Autumn term on Wednesday, September 2nd.

The society is always delighted to welcome new members of all voice ranges, and this is a particularly good time to join – a splendidly Christ-massy programme is being prepared for performance (Sunday, December 13th) which will include the sparkling 'Navidad Nuestra' by the the Argentinian composer Ariel Ramirez, the 'Christmas Cantata' by Geoffrey Bush, and a mouth-watering selec-

tion of carols. Although the ability to read music certainly helps, it is not essential – Musical Director Dr. Peter Milmer blends good humour with musical expertise, creating a warm and friendly atmosphere so that each session is a pleasurable learning curve for everyone! There are no auditions and music for each term's project is always provided.

Rehearsals take place every Wednesday evening at Seaton Methodist Church, Scallwell Lane, EX12 2ST, from 7.25 – 9.00pm, starting on September 2nd. If you would like any more information contact our Secretary, Jo Mason, on 01395 579906 or our Membership Secretary, Karen Curnock, on 01297 24266. We look forward to meeting you!

Pecorama's 40th Anniversary Celebrations

THE BEER Heights Light Railway will really be steaming next week, when 8 visiting locomotives from a far afield as London and Sheffield, will join the Peco fleet during the course of the week.

The action began this Monday (August 24th) when many of the guest locomotives will run simultaneously with the Peco fleet.

The highlight of the eight-day long celebrations will be on Sunday 30th, when BBC News Correspondent Ben Ando, a railway enthusiast, will unveil the new lo-

comotive designed and built by Pecorama's Chief Mechanical Engineer, John Macdougall. The engine, is a special internal combustion engine, code named "Mini" and has been under construction since 2011.

There will be plenty to keep the whole family entertained with a daily Children's Show, Face Painting and Children's Story Reading with Margaret Edmonds on Sunday.

Testudo Musical Players promise a spectacular evening's entertainment with Sister Act

TESTUDO MUSICAL PLAYER'S forthcoming show 'Sister Act' is being staged at The Gateway, Seaton Town Hall, from Wednesday 16th to Saturday, September 19th at 7.30pm each night. Nothing has been spared to make this a spectacular evening's entertainment, worthy of a professional stage!

This exceptionally lively, humorous script and score will have you laughing, singing and itching to get out of your seat and join in! To quote Deloris (Lauren Weber) it will be "Fabulous Baby"!

Curtis (Ben Malone) and his gang provide drama and comedy as do the various nuns as they journey into a new and exciting world under the influence of their new choir master Deloris. Young postulant, Sister Mary Joseph (Milly Chaplyn) questions her nun's life when she sings 'The life I never led'.

As Mother Superior (Vanessa Cross) sings ... "I've got priests doing moves like Travolta, a communion that's somehow risqué" which just about sums up this award winning show!

Tickets are eagerly being snapped up already so make sure you book yours today from the Box Office: 01297 625699

Simon Gledhill thrills at 'best ever' Wurlitzer concert

SIMON Gledhill, one of the world's top theatre organists, came to Beer for the first time on Saturday, August 8th and gave a beautiful performance on the Beer Wurlitzer. A large privileged audience was enthralled with his expertise and his outstanding programme of light music.

Simon was born in Halifax in 1965 – his love of music began when he played the piano accordion when he was six and aged ten his parents purchased a small electronic organ for him. He has performed at all the major theatre

this historic instrument alive.

On Saturday, September 12th, Nicholas Martin, international concert organist, will be making a welcome return. The show will be held at 2.00pm at the Congregational Church, Fore Street, Beer, EX12 3JQ - admittance is £7.00 on the door, children free, and includes interval refreshments. For further information please phone 01297 24892 or visit www.beerwurlitzer.org.uk.

organ venues in the UK and the rest of the world - the Chicago Theatre, the Oakland Paramount Theatre and the Pasadena Civic Auditorium are a far cry from the intimate setting of the Congregational Church at Beer! He has also made many fine recordings on some of the world's most famous theatre organs. Recently he has been elected to the Hall of Fame of the American Theatre Organ Society, a rare honour.

Simon commented after the show "I really enjoyed playing on the Beer Wurlitzer and am grateful for the invitation to come. I congratulate the team who have worked so hard to restore this small organ, the tonal sound was excellent. It was a lovely audience who were with me all the way – this is my first visit to Beer, what a great place." It was a red letter day for the Friends of the Beer Wurlitzer to welcome such an eminent concert organist and they are grateful to everyone who is supporting the shows and helping to keep

SPOTLIGHT

SPOTLIGHT ON MY SERVICE

Kim Beauchamp Foot Health Practitioner

I moved to Axminster in 2013 and already have a well established mobile foot care clinic, offering a consultation and treatment service for foot health problems. I visit patients in their own homes as well as nursing/residential homes, which provides a convenient and flexible service especially for those with less mobility. My initial visit includes a full medical history overview, foot health assessment, professional foot advice and treatment.

My aim is to provide my patients with a professional and friendly service ensuring that the highest standards of hygiene are maintained at all times. I work with each patient on a foot health treatment plan to achieve and maintain healthy and pain free feet.

Conditions where treatment and advice is available range from:

- Corns and calluses
- Fungal foot and nail infections
- Verrucae
- Cracked heels
- Ingrown toenails
- Ball of foot pain
- Diabetic foot care
- Footwear advice

Whether you require a one-off treatment or foot care attention on a regular basis I can be contacted on 07926 093053 or 01460 221806.

The New Mercedes-AMG C 63 Coupé: The Sportiest C-Class Ever

MERCEDES-AMG is setting a further landmark in the brand history: the new C 63 Coupé is the next step on the way to yet more technical and visual distinctiveness. The far-reaching technical modifications are evident at first sight: strikingly flared front and rear wheel arches, an increased track width and larger wheels give the Coupé a muscular look while at the same time providing a basis for the highly agile longitudinal and lateral dynamics. The brand's typical "Driving Performance" is taken to new heights also with the C 63 Coupé. The AMG 4.0-litre V8 biturbo engine with 350 kW (476 hp) or 375 kW (510 hp) is just as much a completely in-house development from Affalterbach as, for example, the sophisticated AMG RIDE CONTROL suspension with electronically controlled shock absorbers, the set-up of the AMG DYNAMIC SELECT transmission modes, the rear-axle limited-slip differential or the dynamic engine mounts.

The C-Class is Mercedes-AMG's best-selling model series and forms the backbone of the company's success. Since its launch in 2011, the Coupé version has steadily gained in significance, culminating with the C 63 AMG Coupé "Black Series". "The new C 63 Coupé embodies our conception of progress: It offers impressive longitudinal and lateral dynamics at an extremely high level along with improved fuel economy," says Tobias Moers, Chairman of the Board of Management of

Mercedes-AMG GmbH. "In addition, we are making a bold visual statement with the muscular design. Our customers can therefore experience the progress with each of their senses: seeing, hearing, feeling and, above all, driving!" The Mercedes-AMG C 63 Coupé will celebrate its world premiere on 15 September 2015 at the Frankfurt International Motor Show (IAA). The market launch will begin in March 2016.

Fascinating design visualises outstanding performance

The Mercedes-AMG C 63 Coupé already

fascinates at first glance with its impressive proportions. The expressive exterior design differs significantly from the Mercedes-Benz model, which shares merely the same doors, roof and boot lid. The powerful 8-cylinder engine, together with the increased track width on the front and rear axles, calls for a re-designed front end and a model-specific rear assembly as well as new side walls. The flared wheel arches make the AMG Coupé 64 millimetres wider at the front and 66 millimetres wider at the rear, enabling the vehicle to hug the road better.

Raising the bar for style and performance in the pick-up market

THE all-new Nissan NP300 Navara sets a new benchmark in the one-tonne pick-up sector, combining the best of Nissan's Crossover leadership with over 80 years of experience in designing and manufacturing robust and cleverly engineered pick-ups.

Improving comfort and refinement while maintaining the Navara's acclaimed off-road ability, durability and loading capacity, was a cornerstone of the new vehicle's development. The vehicle is all-new, with a robust and tough chassis that introduces a host of new engineering features designed to further improve drivability and practicality. Plus thanks to the Crossover DNA that produced landmark passenger cars, the NP300 Navara brings a new level of refinement, style, comfort and quality, as well as first-in-class technologies to the pick-up market.

The introduction of a five year or 100,000 mile manufacturer warranty with the new NP300 Navara is further testament to the vehicle's credentials, and provides additional peace of mind for customers.

Technology

In-line with Nissan innovation, the new NP300 Navara introduces an array of new technology. In a sector that has traditionally been slow to adopt the very latest in comfort and safety features, it sets a new benchmark for affordable technology. Around View Monitor and Forward Emergency Braking (FEB) – both highly acclaimed Crossover safety features – are unique to the pick-up market and provide customers with more advanced levels of technology than ever before in a pick-up truck. Further safety and convenience features include Cruise Control, Hill Descent Control (HDC) and Hill Start Assist (HSA), all of which have been developed to meet the specific demands of NP300 Navara owners, as well as keyless entry, rear-view camera and parking sensors.

Ride and Handling

Improving refinement and delivering a Crossover-style driving experience was a key element of the NP300 Navara's development. To help achieve this without compromising the vehicle's acclaimed off-road ability, Nissan has designed an all-new five-link rear suspension system for the Double Cab model, providing significantly improved ride comfort and handling, and is 20kg lighter than the previous layout.

The King Cab features a substantially updated version of the leaf spring design fitted to the previous generation model. Not only does the new over slung leaf weigh 7kgs less than the previous under slung design, it also gives the King Cab a 3.1 per cent improvement in rear wheel approach angle and delivers a reduction in road noise.

Interior

Every element of the cabin has been optimised to provide the best possible quality, comfort, space and practicality for drivers and passengers.

The dashboard assembly has been redesigned from the ground up, with a sculpted appearance that creates increased cabin space and a more open feel. Spinal Support front seats offer improved ergonomics, and have been engineered using technology inspired by NASA.

Additional features include dual-zone digital climate control, as well as a new rear cab ventilation and seat design, to provide a more comfortable travelling environment for passengers.

Exterior Design

Designed and engineered for the specific requirements and preferences of the European market, and also manufactured in Europe, the NP300 Navara has been designed to deliver a rugged yet sporty overall style, with a mix of convex and concave surfaces for a dynamic and bold look. Nissan's signature V-motion grille and boomerang shaped LED daytime running lights provide distinctive Nissan design cues.

Thought-provoking interactive resource launched to highlight importance of eye tests for drivers

BRAKE, the road safety charity, has produced a free interactive e-learning resource to highlight the importance of making sure your vision is up to scratch before getting behind the wheel. 'Sharpen up', developed in partnership with Specsavers, can be used by anyone who works with drivers, including: fleet professionals and employers; driving instructors; road safety professionals and emergency services; teachers; community leaders; and by individuals directly wanting to find out more about driver eyesight.

People with impaired vision are much more likely to be involved in a road crash, and are estimated to cause 2,900 casualties per year¹. Eyesight can deteriorate rapidly without you noticing, hence experts recommend having an eyesight test at least every two years. A 2014 survey by Brake and Specsavers² found that one in four (25%) drivers hadn't had a vision test in the past two years; and 4% (the equivalent to more than 1.5 million UK drivers) had never had their eyes tested. A worrying one in eight (12%) who need glasses or contact lenses admitted driving without them.

Brake calls on all drivers to ensure that their vision is at a safe standard for driving, helping to keep themselves and others safe, through regular (at least two-yearly) eyesight tests and always wearing glasses or lenses if they're needed. Brake also calls on the government to follow public opinion and introduce compulsory eyesight tests for drivers, a move favoured by almost nine in 10 (87%) people³.

The open-access 'Sharpen up' resource can be used to facilitate discussion and present the facts on the importance of drivers getting regular eye tests and maintaining good eye health, within a training session, lesson, workshop or online communications – especially by fleet managers, driving instructors and road safety professionals. Brake is especially encouraging professionals who work

with older people to use the 'Sharpen up' resource to promote awareness of drivers' responsibilities on fitness-to-drive issues.

Access the resource online now at www.brake.org.uk/sharpenupinteractive.

Devon Cricket - match reports

Honiton 1st XI v Tiverton 1st XI
HONITON won the toss and had no hesitation in bowling on a wet wicket.

J Parr opening started scoring freely including a massive straight six before being the first of Holmes' (4-32) victims on a tricky batting surface.

Holmes bowled with good pace and variation confusing the Tiverton batsmen.

Tansley continued bowling well keeping runs tight for the home side only going for 13 runs in his 9 overs and eventually getting the last man out.

There were also wickets for Pullin 2-34, Cann 1-25 and skipper Rob Ingram 2-10 keeping Tiverton to 136 all out.

The visitors' innings started well with Brian Cann taking eight off the first over. After last week's heroics Oli Cave failed to trouble the scorers with a golden duck.

Pete Matravers joined Cann at the crease and the pair got Honiton close before the latter departed for a solid 43. Adrian Pullin hit the winning runs soon after, though Pete Matravers was the star scoring 60no.

Honiton 2nd XI v Topsham St James

DESPITE having no game last week, Andrew Lapping's men found themselves in contention for league title as results had gone their way.

They won the toss against lowly Topsham St James and elected to bowl first with the forecast not looking good for a full game.

The bowlers made early breakthroughs, to get the points rolling, Andy Brinsford finishing his first spell with 3 for 2, and Corey Lapping 3 for 21.

When Richard Hill took two wickets in his first over the end was well in sight. He ended with figures of 3 for 6, Ian Kelly finished things off and the visitors we shot out for just 31.

Topsham opening bowler Sheik took two wickets in two balls in his first over, to set some alarms in the home side. But Lapping settled those nerves taking 18 runs from the second over.

Lapping ended with 26no as Honiton cruised to victory in just five overs.

Captain Lapping was pleased with the result, he said: "I knew that we had to bowl first to have more chance of a result, but I never thought it would end up how it did."

running round-up

By Dave Mutter

AFTER several days of dismal weather bright sunshine awaited the five AVR's as they arrived at BUDLEIGH SALTERTON for the scenic, multi-terrain Jurassic Coast 10k 2015 Race.

The gruelling first 5k of the route led the runners up the steep SW Coastal paths ascending the scenic cliff tops, a fast, flat 5k then followed to the finish.

Out of a field of 251 runners, Eleanor Wood was the first AVR home rocketing in with a very impressive time of 46:20 - a brilliant 4th place in her age category and 36th overall.

Next home was Angela Kerr who stormed in on this, the first race of her 60th year, in 56:47, 18th in her age category and 116th overall.

For Sarah Herfet, a relatively new member of AVR, it was the 4th time she'd run this race and, with the enthusiastic support of her fellow AVR buddies, she smashed through the hour mark in 59:20 finishing 25th in her age category and 139th overall.

The male AVR's were no less impressive with their efforts. Martin Kerr ran a great race and finished 63rd in his age category - 197th overall with a time of 1:07:50.

John Mellodew, despite taking a tumble, still managed to romp home in a time of 1:09:08 finishing 67th in his age category and 205th overall.

Congratulation to Robert Kerr for winning the SENIOR AUGUST HANDICAP race in 30:01, he was followed by Dave Thomas, 25:30; James Green, 19:20; Eleanor Wood, 24:02 and Jon Day, 22:07.

Clare Hansford still leads the rankings with 121 points with Craig Tilly 2nd, 105 and Margaret Pearce 3rd, 100 points.

Result; 1. Roger Stone, Frank Martin & Brian Anderson 117 points, 2nd Bob White, Alan Davis & Bill Hilson 116, 3rd Chris Basterfield, Maurice Arnold & Brian Hodder 115.

The following day the Seniors match team entertained Cannington. Vice Captain Nick Hill and Keith Potter set the pace with a 3&2 win. This was followed by a 5&4 success for Ian Fielder & Robin Flower.

Stuart Pope & Bryan Frost claimed a half at game 3, and the result was put beyond doubt when Roger Stone & Paul England won 5&3.

Mike Dawson & Barrie Singleton managed a win at game 5, and although Barrie Heath & Nobby Hodder lost the final game by one hole, the overall win was claimed by the St Thomas team by 4 1/2 to 1 1/2.

Twelve pairs took part in a 4Ball Better Ball competition on Wednesday.

The early starters had the advantage of a fine start to the morning, scoring heavily. The rain came in later in the day which hindered the late starters and made scoring difficult.

However, a fine team effort by Trevor Dobson's pair in difficult conditions saw them in third place with 43 points on count back from Gordon Bareham's team.

Result; 1st Martin Bargery & Brian Marsh 44pts, 2nd Clive Fisk & Gordon Bareham 43, 3rd Trevor Dobson & Roger Stone 43.

The Seniors Challenge Cup Finals were postponed on Friday due to inclement weather. Instead, a three-man Texas scramble was hastily organised for those wishing to have an outing. Amidst the rain and severe mist, Ian Fielder's trio managed a win by 1.16 shots.

Result; 1st Ian Fielder, Richard Forster & Bim Morfitt 61.17, 2nd Bert Robinson, Norman Markby & Ted Bryden 62.33.

Tigers hopes bombed by Fishermen

BY HOWARD LARCOMBE

Monday, August 17th
EXETER UNIVERSITY 0 SIDMOUTH TOWN 3
South West Peninsula League Division One (east)

LAST Monday gave Sidmouth the chance to put the disappointment of defeat at Teignmouth behind them when they travelled to Exeter University.

They had a dream start when MoM Ashley Small's cross was headed in off the bar by Cameron Vere after just 17 seconds.

Sidmouth continued their free flowing play with debutant Ryan Davies pulling the strings in the middle of the park but they lacked the final killer ball.

Uni came back into the game but the young Viking defence held firm. They had a clear-cut chance to level things up but Jamie Newbery athletically blocked a shot with a diving header.

Mid-way through the half another great cross from Small was fired home at the back post by Vere to give Sidmouth a two-goal lead at the interval.

In the Second half Sidmouth front line of Vere, Mark Pavay and Pitter continued to cause the home defence numerous problems.

From a Uni corner The Vikings broke away and were controversially awarded a penalty when Small admitted his legs had 'just turned to jelly'. Pitter tucked away the resulting penalty to round off the victory.

Vikings: Bowring, White, Newbery, Glenahan, Cox, Pavay, Davies, Small, Doble (Capt), Vere, Pitter. **Used Subs:** Swingler, Newham, Boyland. **Unused sub** Bodor.

GOALS from Ben Allen, new player-manager Ben Ede and Brad Groves saw last season's runners-up make a winning start with left-back Alex Frankpitt in fine form in a useful team performance against visiting Clyst.

CHEDDAR 1 CHARD TOWN 2
Toolstation Western League Division One; att 36

FOR the second game in succession Chard Town came from behind to snatch all three points with two goals in the second-half to extend their unbeaten away run to 11 matches.

The hosts took the lead in the second minute when an unmarked Callum Ham notched his fourth goal in three games.

They should have doubled their lead but Sam Jones somehow contrived to waste four good chances in a seven-minute spell - the last of which was brilliantly tipped over by Chard keeper Jason Hutchings.

Ham was forced off minutes later after sliding painfully into the pitchside advertising boards and laying motionless at the pitchside for more than half an hour after injuring his head and hip.

At the other end Scott Holland drilled in a low shot that struck a post.

Chard's first equaliser came in the 75th minute from an inswinging Andy Martin corner kick that deceived home gloveman Michael Dangerfield and went straight in.

And the Robins' third consecutive away win this season was sealed when a carbon-copy Martin flag kick was converted by Ryan Parris eight minutes from time.

Afterwards Chard manager Adam Fricker was realistic about his side's performance, he told **View Sport**: "It was a real story of two halves.

"We were poor in opening 35 minutes - probably the worst we have been since I took over 20 months ago. But in the 10 minutes leading up to the break we started to get to grips of the game and in the second half the lads were excellent.

"But we have to start stronger otherwise games will be out of our reach before we can do anything about it.

"I had five out injured or unavailable, we should have Oscar Latas back for Saturday but there are doubts over Leigh Bailey and Ben Haines, while George Chlopecki and Louis Gillman will be on the long-term injury list. At present I'm not looking to bring anyone in."

The three points took Chard to the very top of the fledgling table on goal difference.

Robins: J.Hutchings, R.Parris, S.Spurway, M.Westlake, S.Holland, Sh.Wells-Burr, D.Hutchings, B.Symes, A.Martin, J.Boyland, E.Butcher. **Subs:** A.Tovey, J.Barfoot.

ALPHINGTON 3 AXMINSTER TOWN 1

A SHAUNDENSHAM hat-trick consigned Axminster Town to defeat at The Chronicles on Wednesday evening.

The Alphas were away and clear at 3-0 before skipper Jon Hurford bagged a 51st minute consolation for the Tigers.

Tigers: S.Wells-Burr, C.Mooney, L.Beer, E.Dyer, G.Macaulay, N.Warren, T.Pinder, C.Garrett, A.Wheatley, B.Turner, J.Hurford. **Subs:** G.Spiller, M.Smale, D.Galloway.

WITH Chris Wellman a no show Seaton Town gave a start to Kyle Gould who grabbed the opportunity with both hands with a very impressive display.

The Greens went into the break 2-0 up courtesy of goals from James Hill and Lewis Cottam.

In the second half Cottam added another before Chard pulled one back and pushed on but the hosts saw out the win comfortably.

New Seaton manager Steve Hayes said: "It was a good all-round performance although Matt Hancock was superb at wingback.

"Our captain and goalkeeper Mark Perham was very lucky to stay on after a mistimed, but very important, challenge on the edge of the box."

ROMAN GLASS 2 CHARD TOWN 2
Tolstation Western League Division One; att 41
ON the 3G surface at the headquarters of Gloucestershire FA the hosts side went ahead with a rather fortuitous goal after 20 minutes when a shot on target came back into play off keeper Jason Hutchings and rebounded into the net off a Roman Glass player.

Chard took time to settle on the artificial surface but gradually got more into the game - on 33mins they went close when a pin-point 20-yard free kick from Andy Martin struck the crossbar.

Chard equalised five minutes in the second-half when good approach work saw Ed Butcher pul the ball back for Oscar Latas to score with a first time shot.

The Romans regained the lead on the hour when a free kick found Chris Astley who headed the ball home just beyond the reach of Hutchings.

Both sides went in search of further scoring chances but Chard got their second equaliser three minutes from time when James Boyland cut in from the right and weaved through the home defence before finding Martin who scored with a first time shot.

Robins: J.Hutchings, R.Parris, Sh.Wells-Burr, D.Hutchings, L.Bailey, S.Holland, M.Westlake, A.Martin, O.Latas (B.Symes 77), E.Butcher (B.Haines 65), J.Boyland. **Unused Subs:** J.Barfoot, A.Fricker.

Chard now have two home games in four days beginning with tomorrow's (Wednesday) visit by Radstock Town (7.30ko) and then Oldland Abbotonians on Saturday (3pm).

AXMINSTER TOWN 3 BRIGHAM AFC 6
South West Peninsula League Division One (east)
AXMINSTER Town were on the wrong end of a goal-fest as their search for their first league point of the season continues.

They started superbly to lead 2-0 after 20 minutes. Jon Hurford cracked the opener from 20 yards before Alex Wheatley scored a superb second - bending the ball around the visiting keeper from the tightest of angles.

Players, officials and spectators attention was then turned to the magnificent RAF Vulcan bomber which was making a fly-past to honour 97-year-old retired Air Vice Marshal Deryck Stapleton at his Axminster home.

By coincidence it was at this point that Tigers slick passing game collapsed and they conceded three times to trail 3-2 at the turnaround.

The visitors scored again early in the second-half and added a fifth before Mark Smale reduced the arrears.

Teenage winger Tony Pinder then went close to making 5-4 when he successfully charged down the Brixham keeper's attempted clearance only to see the ball rebound onto the crossbar and the chance had gone.

Brixham rounded things off near the end.

Ax manager Ian Burns was clear as to where his team could improve: "Consistency. We were superb for the opening 20 minutes - I was looking for a reaction after a terrible showing at Alphonington in midweek and I got one.

"If we'd been 4-0 up it would have been a fair reflection. But then we literally stopped and they (Brixham) cashed in."

Burns is likely to be without injured defender Elliott Dyer (unavailable) and Callum Mooney (knee) but Gary Macauley returns after suspension for tonight's local derby at Sidmouth Town.

"We're down to bare bones," said Burns who was also bemused at the venue for tonight's game: "We could have kick-off under our floodlight at 7.30pm to give everybody plenty of time and played the reverse game at Sidmouth on a Saturday."

Tigers: S.Wells-Burr, C.Mooney, L.Beer, E.Dyer, M.Smale, A.Wheatley, J.Hurford, B.Miller, C.Garrett, P.Knox, B.Vine, Subs: B.Turner, D.Galloway, T.Pinder.

CONGRESBURY 6 ILMINSTER TOWN 2
Somerset League Division One (west)

"I HAVEN'T seen a referee get bullied like Congresbury did to the official Saturday for many years," was Iminster manager Darren Manley's scathing comment after seeing his side ship six at Broadstones Park.

After a low quality opening quarter the hosts took the lead. The Blues squandered a golden chance to level soon after when Chris Neziyanya somehow managed to miss an open net. Charlie Rutter did better two minutes later to equalise only for Congresbury to score twice to lead 3-1 at the interval.

After the turnaround Alex Paul wasted another good chance when he blazed a penalty high over the bar. Paul atoned five minutes later to make it 3-2.

But the hosts responded soon after to restore the two-goal cushion. At the other end Rutter had a second ruled

out for offside to the dismay of Manley: "The ref and the linesman both gave the goal but got bullied and reversed the decision."

The outcome was rubber stamped by two more Congresbury goals but there was still time for Rutter and Jon May to both have efforts kicked off the line.

COMBE ST NICHOLAS 0 GLASTONBURY 0
A LEAGUE administrative error and subsequent no-show from a referee saw this game start half an hour late.

When play did eventually get underway Joe Simmons forced a fine save from the visiting keeper.

With Glastonbury content to sit back, Rich Hebdict delivered a couple dangerous crosses from his berth on the flank, but these were wasted and the game ended goalless.

Saints manager Phil Loaring was impressed by new signing Rob Stubbins at centre-half.

Combe get on their bikes for CLIC

COMBE ST NICHOLAS Football Club are staging a fancy dress charity bike ride for the charity CLIC at noon on Sunday, August 30th starting from the club's headquarters at Slades Cross.

Club spokesman Luc Logan said: "The course is approximately 20 miles long and there are several check points along the way. Starting in Combe, riders will head into Chard, down the cycle path to Donyatt, then Broadway and back through Horton to Combe.

"We will be putting on a BBQ as well as live music from MUSAX at 7pm. Everyone is welcome in the evening.

"It costs £5 per rider to enter and we hope that everyone will be requesting sponsorship from friends and family for CLIC as well.

CHARD manager Stu Parris was pleased with a point having put out a threadbare team on Saturday.

The visitors opened the scoring but this was cancelled out by Adam Tovey's 40th minute penalty.

ELMORE 3 BEER ALBION 0
Fresha Devon & Exeter Premier

BEER Albion kicked off their season with a difficult looking away game at Elmore, and so it proved as they ended up empty handed after a disappointing 3-0 defeat writes Mike Adkin.

Elmore took the third minute when a free kick into the box wasn't dealt with by the Fishermens' defence and the ball was swept in at the near post.

Elmore continued to press but went close with a Chris Long long-range free kick. However, after losing the ball in midfield and a missed tackle in the penalty area, the Elmore centre forward curled the ball inside the post to the left of goalkeeper Michael Westlake to make it 2-0 with 27 minutes on the clock.

The final 15 minutes of the first half saw Beer coming more into the game, with a further couple of good efforts from Chris Long. Just before the half time whistle a great shot on the turn by James Melville was tipped around the post by the Eagles' keeper.

The second half began much as the first with the hosts looking the livelier team and forcing a good save on the line by Westlake from point blank range in the 51st minute.

But Beer began to see more of the ball, and in the 66th minute a good shot on the turn by Melville was fizzed just. Then a clear foul on Seth Wakely on the edge of the box in the 70th minute went unpunished by the referee.

Against the run of play Beer scored a third in the 78th minute.

Next Saturday Beer entertain Topsham Town at the Furzebrake. Kick off is at 3pm and the match sponsor is Steamers Restaurant, New Cut, Beer, Devon.

MILLWEY RISE FC 4 ROYAL OAK 1
Devon & Exeter League Division Six

MILLWEY Rise began life in the Devon & Exeter League Division Six with a convincing 4-1 win writes Dick Sturch.

The occasion was made even more memorable by the visit from the aforementioned Vulcan bomber.

Levi Hoole had the distinction of scoring Millwey's first ever goal in their new league after 25 mitwoutes.

The visitors then drew level 2 minutes later from a disputed free kick. It stayed that way until the 43rd minute when Mark Pike latched onto a through ball from Sam Turner to slot the ball home.

The second half saw the visitors graze the Rise crossbar on a couple of occasions before Hoole wrapped the game up with two more goals - the second from a last minute penalty - to complete his hat-trick.

Mike Knight added strength and depth to Millwey's back four on his return from neighbours Axminster Town while Shane Featherstone made his presence felt in midfield. Hoole's hunger for goals is going to make him a threat to most defences.

Next Saturday Millwey welcome Exwick Village to Cloakham Lawns KO 3pm.
